

## **The Michigan Counties that we serve are:**

**Northern Kent, Lake, Mason, Mecosta,  
Montcalm, Muskegon, Newaygo, Oceana,  
Osceola, and Northern Ottawa (M-45 and North)**

If you are not in any of these ten counties, we recommend that you limit your search to a modular home builder closer to your area. In order to gain a quality job, many on site visits will be needed for your project; you want a builder close enough to manage this.
